OLD BUSINESS

Milfoil: * 42 people have signed up for treatment w/Lake Restoration.

*A number of people said they did not receive the letter and accompanying application form. Lake Restoration sent these out using the county list of property owners addresses that we provided. At this point, we will have to ride it out and perhaps next year go to the county computer and be sure the addresses are updated. Open issue.

*Brush Days started today.

*Junk Day was held w/good success.

*The Fresh Water Fair was held on May 3. 63 fifth graders from Moose Lake School attended.

NEW BUSINESS

Twinhomes: 8 twinhomes are proposed to be built off of Lord's Lake road. Nearby residents are objecting to the project.

Golf Course: The golf course has obtained a liquor license and has built a bar in the club house. They are also adding a marina. Discussion was held concerning 'the narrow road/little parking and the added impact on the milfoil problem with so many docks added in a heavy milfoil area
