| Loss and removal of trees/mold on siding/shed foundation/driveway washed out              |         |
| dead trees/flooded land   |         |
| lost 5 feet of shoreline  |         |
| pump holding tank twice/new post brackets to raise dock                                   |         |
| 5-10 feet of shoreline pushed back  |         |
| high water and ice damage   |         |
| actual yard repair cost/actual driveway repair cost/loss of shoreline and beach           |         |
| beach flooded   |         |
| needed to extend dock   |         |
| trees falling in lake/stairs impacted by ice/poor water clarity due to erosion            |         |
| multiple issues/see comment sheet   | x       |
| beach gone/damage to slate sidewalk   |         |
| loss of trees no longer able to store boat and dock on shore during winter                |         |
| multiple issues/see sheet for comments  |         |
| no beach or easy access to water due to steep drop off                                    |         |
| had to demolish and repour finished basement/see sheet for further details                | x       |
| Flooded yard repair/had to raise floor in basement and add drainage equipment             |         |
| high water ice push moved shore 6 feet up and damaged dock                                |         |
| shoreline repair/basement repair/personal property/stress                                 | x       |
| multiple issues/see comment sheet and pictures  | x       |
| major erosion/getting close to well   |         |
| flooded garage  |         |
| lower quality shoreline/new poles etc to raise dock                                       |         |
| lost lot of yard/garage and driveway under water for 5 months/see comment page            | x       |
| expensive repairs on Island shoreline/loss of stairs deck and trees/no access to lake     |         |
| Destroyed rip rap/many trees lost/lake access problems due to steps washing out           |         |
| Backyard, garage and shed still underwater/driveway needed repair                         |         |
| Water continually flooded yard  |         |
| Beach erosion/Yard is flooded due to sump in basement constantly running                  |         |
| Beach erosion/  |         |
| Beach erosion   |         |
| multiple issues/see survey for comments   | x       |
| Standing water/driveway very soft   |         |
| Edelweiss/see sheet for comments  | x       |
| High water likely to cause ice damage   |         |
| Rock retaining wall undermined  |         |
| Bank washing out  |         |
| Beach area completely gone  |         |
| 20 year old stone wall washed out/storage building undermined                             |         |
| ice heaving due to high water/100 per month to run sump pump 24/7/hold tank fills         |         |

lost 25 feet of shoreline/water under cabin rotting floor joist  
 Will need more adjustments for dock  
 oreline reconstruction and tree replacement  
 eroding shorline  
 shoreline and ramp washed out/trouble with sanitary pump/flooded waste tank  
 less usable yard  
 loss of 10-15 feet of shore that has been there 45 years/fire pit/Landscaping loss  
 difficult access due to steep drop/barriers destroyed/flooded driveway  
 erosion/landscaping/water in crawl space/see sheet for comments x  
 erosion/landscaping/water over road/dock underwater/see sheet for comments x  
 beach lost/landscape including trees  
 15 feet of erosion/2018 lakeshore restoration severely damaged/flooded road  
 erosion/2-3 drop into water now on shore  
 ice and ice heaves lifted house/extensive shorline restoration  
 loss of walkway to shore and minimal access to boathouse/boathouse unusable  
 noted they had damage even though they are in a sheltered cove  
 multiple issues see sheet for comments x  
 Damage to basement of home  
 erosion/Deck sinking and puling away  
 erosion/water up to bank no where to sit  
 lakeshore area unusable....priceless  
 repair shoreline/landscaping/elevate sandpoint/shed underwater/see pictures x  
 beach completely eroded/had to purchase pumps/additional cost to empty septic  
 Lost 110' of beach/shed foundation, flooring, siding/worst in 48 years  
 New rock retaining wall damaged/shed sat in water all season  
 shoreline erosion/loss of tree/collapsed foundation on wellhouse shed  
 shoreline erosion/moved boathouse 4 times now tearing it down before ends in lake  
 shoreline erosion required rock fill  
 shoreline erosion/boathouse required repair due to flooding  
 multiple issues see sheet for comments  
 Lost 8 feet of shoreline/lot is flooded  
 very severe ice push  
 erosion  
 eroding bank  
 erosion/flooded lot/constant sump pumping/basement flooded  
 shoreline erosion/loss of shoreline storage area  
 loss of 8 feet x 100 feet of shoreline/yard flooded/need ramps to put dock in  
 lost storage shed and stairs/lost 8 feet of shore/lost rip rap  
 needed to raise rock wall/had to move boat house  
 see comments  
 erosion/lost all of property on west side of CR46 water and power unusable also  
 4 foot drop/loss of trees/flooded pole building/unable to pump septic fear of floating  
 had to remove boathouse/lost retaining wall and stairs
